# Assisted Living

Our community offers studio, one- and two-bedroom apartments with spacious floor plans. Each apartment has its own kitchen with full-size appliances, a washer and dryer, and a living area with a screened balcony so you can relax and take in the scenery. The apartments are private and can be personalized to your taste, so feel free to bring your favorite decor and add your own style and flair when decorating your new home. For your peace of mind, there is security personnel present 24/7.
